Minutes

Agenda Item: Introductions – Update from all agencies

1. DOE
 - Currently tracking incident data for delinquent activity
 - DOE received a two-year data collection grant from the US Department of Education
 - With this grant and online data collection system is being put into place
 - One barrier is that each school district collects data differently
2. DSAMH
 - Lisa- Michelle has tasked DSAMH with identifying all services
3. Bach Harrison
 - PNA survey is mostly ready for spring '07; may need to make a few more changes to questions
 - Steve suggested that we go over the PNA next meeting for feedback; should we add gambling questions?

Assignment: Look over the data collection spreadsheet that Bach Harrison prepared for discussion next meeting; Tricia will remind Craig to forward the spreadsheet.

- We need to update Archival Indicators
 - IBIS system is a good resource for data, but we may not have access to some data; Christy has access to the data
4. DOH
 - Christy has access to resources such as Health Status Survey, Medical Examiner, Death Certificates, etc...
 - She also has access to ER data, but it is mostly billing and diagnosis codes

Agenda Item: Charter – Mission Statement

- Should we build model this after something that has already been created?
- We should build the statement after the Goals and Accomplishments identified for the SEOW

Assignment: Read over Arizona and New Mexico's mission statements for ideas and we will discuss ours' at the next meeting.

- It was suggested that the SEOW provide guidance to the substance abuse policy-making body as a data driven source.

Agenda Item: Overview of Strategic Five Step Process

- Ben reviewed the Five Steps briefly
- Ben will send Christy the website to review the Five Step more in depth

Agenda Item: Update on UPAC

- UPAC is now the prevention committee for USAAV
- Verne met with Mary Lou Emerson, Nora B Stephens, Craig PoVey, and Brent Kelsey to discuss the direction for UPAC
- They put the Strategic Prevention Plan into a Logic Model to move UPACs' goals forward.
- They are also looking at membership and made a list of agencies that they felt should be represented

Agenda Item: Contract Update

- Contracts are underway

Agenda Item: National Meeting on SEOW Criteria June 12-13 /Maryland

- Steve Harrison and Crag PoVey will be attending the meeting; they are looking for one more person to attend
- The purpose of the meeting is to give TA to those states that recently received SEOW awards
- There will be previous awardees attending to share insight to their SEOW process and barriers/accomplishments
- This meeting will also provide insight to the expectations that CSAP has for the grantees.

Next Meeting: Thursday, July 6, 2006
